A List of Words: LSE media department research data visualisation

blogs.lse.ac.uk/polis/2011/06/29/a-list-of-words-lse-media-department-research-data-visualisation/

At one point in my Department's research away-day a colleague said, 'this is all just a list of words, isn't it?'. Well, yes, it was. But as this data visualisation of the notes I took show, they reveal a fascinating and diverse range of interests. You can see more images via the Twitter hashtag #LSEmediaday, or my Twitpic account.
